Women in Leadership Programme

THE COURSE WILL FOCUS ON FOUR KEY AREAS:

- **SELF ACCEPTANCE**
- **SKILLS FOR SUCCESS**
- **NETWORKS THAT MATTER**
- **SELF-DEVELOPMENT**

COURSE OVERVIEW

PDU's: 45 Credits: 3.00

Participants in the Women Leadership programme will be exposed to statistics on gender biases that inhibit women's leadership aspirations, but will be equipped with the necessary knowledge required to engender self-confidence, acquire skills such as negotiation and networking.

Participants will be encouraged to build confidence starting with self acceptance by exploring credible research that points to the value of women leaders. Participants will use information gained from case studies and presentations from guest speakers and lecturers to deepen skills required to navigate gender biases and tap into their unique abilities to lead, mentor, inspire and influence.
